

SKI EXTREME

ULTIMATE SKIING SIMULATOR

The Very Latest In State-Of-The-Art Ski Simulation!

Why wait for winter? Now, you can get the thrilling rush of downhill skiing at any time of the year with the exciting new simulators from Kramer Entertainment! We literally bring the snow to you! A high-powered blower actually fills the dome with safe, artificial snow as you barrel down the slopes!

Custom built for a european promotion, our simulators are the only two units of their kind ever created! *"Spectacular and exciting!", "A great hit!", and "Enjoyed by all, from novice to expert!"* Are just some of the comments we've heard!

So why settle for just a flurry of fun, when
you can have a real **BLIZZARD?**
