An Astounding Demonstration of

## REAL HYPNOSIS!

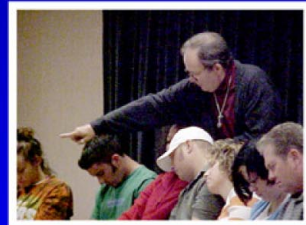

explore the Serious and the Fun Side of the Inner Mind!

# Dr. Gary Laundre'

**D**r. Gary opens his show with an amazing demonstration of hypnotic pain control. Then you'll laugh your head off at the

amazing antics of audience volunteers as they act and talk like four year olds, ride horses while chasing bad guys as members of a sheriff's posse in the old west, have numbers erased

from their memories, become aliens from outer space talking in strange alien languages or secret agent belly dancers in a Sultan's palace. All this and more!! For the fun of your lifetime it's "Dr. Gary Laundre's "REAL HYPNOSIS".
