

The Musical Game Show with Cash and Prizes!!

# Can You NAME THAT TUNE?

“Can You Name That Tune” is a fun and interactive event that combines music and general trivia into one fantastic package that is sure to get all audience members involved. We start with a huge game board and add lights, backdrops and a great sound system. Fully lighted player podiums and a professional emcee keep track of the scoring.

Games and physical challenges add to the excitement. Three teams of 4 people each (or more) try to “ring in” ahead of each other.

All teams receive T-shirts and CASH. Even audience members get a chance to play and receive cash prizes! \$200.00 is given out at each show... guaranteed.

This game is fully customizable. We can play “Black History Month” themed game shows, “Rock and Roll” Game Shows or “Hip Hop” Game Shows, Even “Campus Safety” or “Dating” Game Shows.

“Can You Name That Tune?” is a great trivia comedy game that will have everyone cheering and laughing.
